Sir:

This Request for Reconsideration is submitted in response to a Decision Refusing Status under 37 CFR 1.47(a), mailed August 16, 2004, and pursuant to a February 8, 2005 telephone conversation with the Petitions Examiner.

**Background**

On February 18, 2004 the Applicants filed a Petition under 37 CFR 1.47(a) because one of the named inventors, Jeffrey K. Drogue ("Drogue"), refused to join in the application. The Office dismissed the Petition on the basis that Applicants failed to show Drogue was presented with a copy of the application papers.

**Request**

In view of the evidence submitted herewith, and the evidence previously submitted with the Petition, Applicants request reconsideration of the Decision Refusing Status and grant of the Petition.

Application Number: 10/628,588

Docket: 6970.02

**Evidence**

Enclosed herewith is a copy of a letter to Drogue, with a copy of the envelope showing his last known address showing that it was sent via U.S. Certified Mail on February 9, 2005. As stated in the letter, it was accompanied by the application papers (specification, claims and drawings) for the above-identified application. A Declaration and Assignment were also enclosed.

**Fee**

It is believed no fees are due in connection with this conversation of the Petition Under § 1.47 (a). However, a petition to extend the time to respond is submitted herewith, along with the requisite fee. The Office is also hereby authorized to charge any fees associated with this communication to Deposit Account No. 04-1420.

**Conclusion**

In light of the evidence submitted herewith, and the evidence submitted with the Petition, Applicants respectfully request reconsideration of the Decision Refusing Status and grant of the Petition Under § 1.47(a). The Office is invited to telephone the undersigned if doing so will facilitate reconsideration and grant.

Respectfully submitted,
